About

Kalkidan Bekalu I'm a graduated in computer science and engineering from Adama Science and Technology University in 2021. Im very passionate about programming and Music. In addition to my academic career I am a professional musician and producer. I always like to try out new things. I like everything I do. I do the things I do very efficiently that I can be a pro at it in jo time. I dont like to postpone work for the future meaning I like to do everything I have to do as soon as I can.}
